

# Four views on the **rapture**.

*Common views on when the rapture will occur.*

## Pre-Tribulation

The Rapture of Christians will take place before the time of wrath, also known as the Tribulation. The Church is removed from the entire period, the seven years of Tribulation.

## Mid-Tribulation

The Rapture of Christians will take place at the midpoint, three and a half years, into the seven-year Tribulation period.

## Pre-Wrath

The Rapture will take place five and a half years into the seven-year Tribulation period. This view places the Rapture of Christians between the sixth and seventh seals described in the book of Revelation.

## Post-Tribulation

The Church will endure the Tribulation, but be preserved from the wrath of God and be taken up quickly prior to Christ's Second Coming to meet Him in the air and come back to the earth with Him.
