## OUR MISSION

### Present & Defend the Gospel of Jesus Christ

“And He said to them, ‘Go into all the world and preach the gospel to every creature’” (Mark 16:15).

When Morgan Jackson first came into my office, he told me that out of the

- **7,140 languages spoken in the world**
- **4,000 languages had no Bible at all**
- **and millions of people are functionally illiterate—meaning even if they had a Bible in their own language, they would be unable to read it**

**I couldn't believe it! Then I brought the need to you and asked you to help!**

## YOUR GIFTS ARE MAKING AN IMPACT

Over the past several years through our partnership with Faith Comes By Hearing

**We have reached more than  
12 Million PEOPLE**

I hope you are constantly amazed when you hear how God's Word is impacting the lives of those who hear it—in their own language—for the very first time. I also hope it brings joy to your heart when you remember it's your generosity that makes it possible for these people to come to know the Lord.

Every dollar you have given to fund Audio Bibles has resulted in a story like this one from South America where a national worker reported:

*“I sat next to an eleven-year-old boy who was so smart and cheerful, despite his circumstances. What moved me most was when he began to pray.”*

*“God, forgive my sins, and thank you for taking care of me, but please take care of those suffering in other parts of the world, like Ukraine. End that war. Thank you that I can listen to the Bible now. Amen.”*

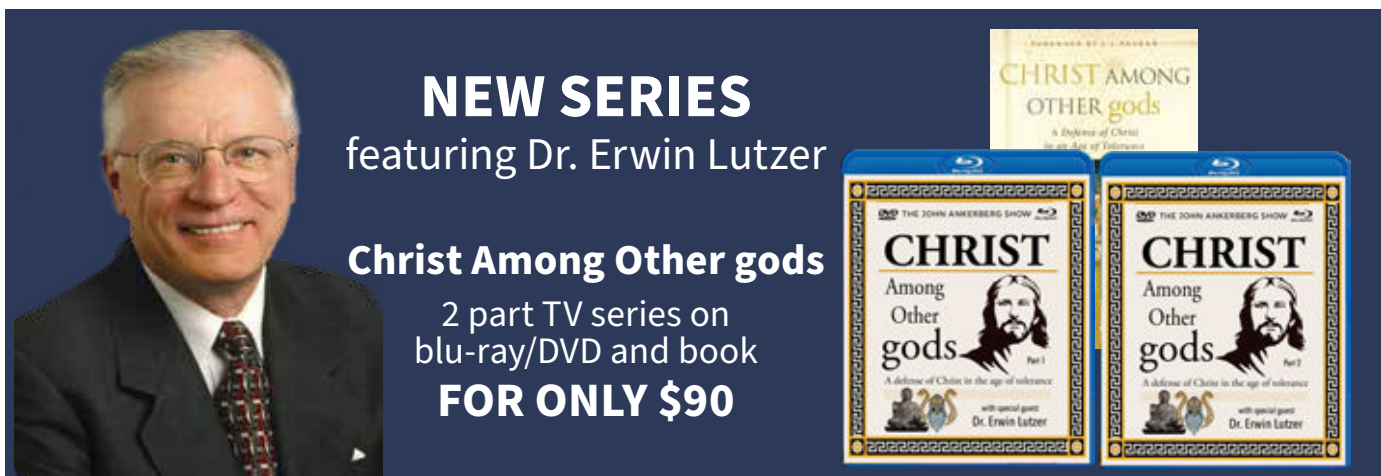

*“A child, living in a difficult place, demonstrated compassion and grief, yet found gratitude and joy at the ability to hear Scripture in his language. The power of God’s Word in this young life was unmistakable.”*

Here is a brief update about what has happened as a result of the series we just concluded on TV with Morgan Jackson. Your gifts have now allowed us to reach 12,368,150 people who are in listening groups. They are learning from an Audio Bible in their own language. Of these, an estimated 6,184,075 people have accepted the Lord.

After Morgan’s series, in the middle of January, we will welcome Dr. Erwin Lutzer back into our studio to talk to us about “Christ Among Other gods.” Millions of people today worship man-made gods or think of Jesus as just someone else’s God.

In his book, Dr. Lutzer writes, “The people who live next door and your associates at work mostly likely believe that it doesn’t matter what god you pray to, because every deity is ultimately the same deity shrouded in a different name.”

But over the next few weeks, we’ll explain why it does matter very much.

In **Program 1** we will learn “What makes Jesus Special” as we compare Him to all the leaders of other religions.

**Program 2** will lead us on “The Search for Truth.” What’s wrong with the idea that you can have your truth, I can have mine, and they’re both equally true, even if they are contradictory?

**Program 3** answers the question, “Who is the Real Jesus?” How did Jesus’ interaction with His own disciples reveal who He really is?

In **Program 4** he will talk about “The Claims of

Jesus.” Jesus said some extraordinary things about Himself. Did He back them up by His actions?

In **Program 5** he deals with “The Death and Resurrection of Jesus.” He examines the biblical and historical evidence for Jesus’ death and resurrection.

We end our discussion in **Program 6** by talking about “The Ascension and Return of Jesus.” What is Jesus doing now that He has returned to heaven? What will happen when He returns to earth as He promised?

Finally, we just want to say a word about our new Spanish outreach. The stations we have been able to take have opened our program to millions of new listeners. We are working hard to produce Spanish versions of our TV programs, and translate some of our existing resources (articles, podcasts, etc.) for our Spanish website, [jabiblia.org](http://jabiblia.org), as we continue to reach out into many new countries.

Please pray that God will give us extra strength for our whole staff as we have taken on new challenges, and are stretching our resources. Matthew 19:26 says, "With God all things are possible." Please pray that we will constantly rely on His power and His strength to do His work. Because what may seem impossible to us is possible with Him!

For those still waiting to hear,  
  
John and Darlene
